

CORPORATE POLICY

Hoganguards Limited is committed to provision of world class products and services to all our clients.

Quality is one of our core values, as well as a key business strategy.

Hoganguards Limited executives, leadership and management strive to, through their quality commitment, focus on:

- Complying with relevant regulatory and governing body requirements.
- Continuous improvement through the implementation of quality standards and international best practice.
- Continually monitoring and improving the effectiveness of our quality management system.
- Setting appropriate goals and objectives relating to quality, safety and health for all departments.
- Ensuring our guards and personnel are properly trained and equipped to serve our customers better.
- Preventing incidents to customers, employees and the environment through proactive risk management.

This policy shall be communicated, understood and made available to relevant interested parties, as appropriate.
